Christi Cox, Chairwoman

**New Business**

1. Staff to provide Council with information related to County road ratings.

(5:45pm) Patrick Hamilton provided Council with a map that shows county roads vs. state roads with a mileage comparison and a breakdown of those roads by each Council district.

| Council District | District Miles | Percent of Total Miles |
|------------------|----------------|------------------------|
| 1                | 74.7           | 14.5%                  |
| 2                | 131.5          | 25.5%                  |
| 3                | 145.8          | 28.3%                  |
| 4                | 10.1           | 2.0%                   |
| 5                | 71.2           | 13.8%                  |
| 6                | 42.3           | 8.2%                   |
| 7                | 39.5           | 7.7%                   |
|                  | 515            | 100%                   |

Mr. Hamilton also provided information on the county-maintained paved roads, as of April 2025, and the county road ratings, which is 57. That is a decrease from 59 in 2022.

| Council District | 2022 | 2025 |
|------------------|------|------|
| Overall Rating   | 59   | 57   |
| 1                | 73   | 69   |
| 2                | 54   | 52   |
| 3                | 50   | 49   |
| 4                | 63   | 59   |
| 5                | 57   | 55   |
| 6                | 62   | 59   |
| 7                | 66   | 65   |

2. Staff to provide an update on the interactive map.

(5:58pm) Mr. Hamilton reported that the draft interactive map is available with County and

Municipal projects. The County has received DOT's GIS files for their projects, and we are incorporating their projects into the map. Staff would like to have the interactive map on the website this summer.
