3. Rezoning Action: Consider Third Reading

Case #	25-29
Tax Map #	738-00-00-007; -008
Zoning Request:	Rezone from RMX-10 to RUD
Acres:	11.49
Council District:	7 - Cloninger
Applicant:	Kris Kellogg

Owner: Epps Farm LLC
 Location: N. Dobys Bridge Road, Fort Mill
 Planning Commission Date: July 14, 2025
 Staff Recommendation: Approve
 PC Recommendation: Approve (6-0)

Executive Summary: The purpose of the proposed change is to develop the site as an event venue. The request to rezone from RMX-10 to RUD is not consistent with the future land use designation of *Neighborhood Residential*. However, there are two parcels across Dobys Bridge Road zoned RUD. Additionally, there are other non-residential uses in the general vicinity and the development would remove two residential curb cuts from Dobys Bridge Road. A staff report and analysis with findings has been performed.

4. Rezoning Action: Consider Third Reading
- Case # 25-31
 Tax Map # 187-00-00-032; 158-00-00-011; -016
 Zoning Request: Rezone from RUD to AGC
 Acres: 9.62
 Council District: 3 - Adkins
 Applicant: Robin, Kevin, Jennifer, and Lauren Bolin, and Cody Williams
 Owner: Robin, Kevin, Jennifer, and Lauren Bolin, and Cody Williams
 Location: 914 and 1008 Allwood Road, York
 Planning Commission Date: July 14, 2025
 Staff Recommendation: Approve
 PC Recommendation: Approve (6-0)

Executive Summary: The purpose of the proposed change is to aggregate parcels within two zoning districts for later recombination and distribution to family members. The request to rezone from RUD and AGC is consistent with the future land use designation of *Agriculture*. A staff report and analysis with findings has been performed.

Since the result of this rezoning will create non-conforming lots sizes, staff recommends the following condition as part of this request:

1. The property must be recombined so that no parcel is less than the required 5-acre minimum lot size. An approved subdivision plat achieving that lot size shall be recorded with the York County Register of Deeds within 90 days of the rezoning approval.

5. Rezoning Action: Consider Third Reading
 - Case # 25-32
 - Tax Map # 397-00-00-001
 - Zoning Request: Rezone from RSF-40 to RUD
 - Acres: 3.45
 - Council District: 3 - Adkins
 - Applicant: Amy Boheler
 - Owner: Thomas Boheler
 - Location: 1831 Windsor Woods Drive, York
 - Planning Commission Date: July 14, 2025
 - Staff Recommendation: Approve
 - PC Recommendation: Approve (6-0)

Executive Summary: The purpose of the proposed change is to allow a manufactured home. The request to rezone from RSF-40 to RUD is not consistent with the future land use designation of *Single Family Residential*. However, many of the nearby properties along York Highway are zoned RUD. The requested district is compatible with the mostly vacant neighboring large-lot subdivision, Windsor Woods. A staff report and analysis with findings has been performed.

6. Rezoning Action: Consider Second Reading
- Case # 25-33
 - Tax Map # 694-00-00-177
 - Zoning Request: Rezone from UD to RSF-30
 - Acres: 5.88
 - Council District: 5 - Cox
 - Applicant: Kyle Christopher
 - Owner: Carolina Capital Property LLC
 - Location: Benson Road, Rock Hill
 - Planning Commission Date: August 11, 2025
 - Staff Recommendation: Approve
 - PC Recommendation: Approve (5-0)

Executive Summary: The purpose of the proposed change is to subdivide the parcel into three lots to construct two additional homes. The request does not align with York County’s *York Forward* 2035 Future Land Use Map as the requested RSF-30 zone is less intense than expected within the *Neighborhood Residential* designation. However, the requested district is consistent with the development pattern of the area. The neighboring properties along Benson Road are zoned RSF-30, including two nested between the subject parcel and the roadway. Also, the proposed subdivision will bring the dimensions of the property more in line with the scale of the surrounding lots. This request will remove another property from the legacy UD district. A staff report and analysis with findings has been performed.

 - Zoning Request: Rezone from UD to LI
 - Acres: 0.07
 - Council District: 1 - Audette
 - Applicant: Phelan Bennett Development
 - Owner: Lakemont Property Investors, LLC
 - Location: Foothills Way, Fort Mill
 - Planning Commission Date: August 11, 2025

Staff Recommendation: Approve
PC Recommendation: Approve (5-0)

Executive Summary: The purpose of the request is to combine this parcel with the surrounding property TM#723-079, which will be developed with two warehouse buildings. The rezoning request aligns with the Future Land Use Map and Comprehensive Plan. The requested LI zone befits the land use types and character expected within the designation. The property that envelops the subject parcel is zoned LI, and will allow the integration of the nested subject parcel. Surrounding parcels in the general area are also zoned LI. Further, this will remove another property from the legacy UD district. A staff report and analysis with findings has been performed.

9. COUNCIL TO ADOPT A RESOLUTION CONSENTING TO THE PARTIAL ASSIGNMENT AND ASSUMPTION OF A FEE IN LIEU OF TAX AND INCENTIVE AGREEMENT FROM COMPOSITE RESOURCES, INC., AUTOSPORT RESOURCES, LLC AND WORKSPACE RESOURCES LLC TO BOX TURTLE HOLDINGS, LLC; AND OTHER MATTERS RELATED THERETO.

Executive Summary: Project Cornice is pursuing the purchase of a facility that will consolidate its headquarters and manufacturing operations under one roof. The company is currently based in Charlotte, NC, where it leases separate office and manufacturing spaces. The new facility will integrate corporate offices, an ornamental metals fabrication plant, and a design-build space for architects and engineers. This space is expected to serve as a hub for innovation, attracting architects and contractors seeking creative solutions for building cladding.

The facility under consideration is currently covered by an existing FILOT agreement. Project Cornice plans to relocate 46 existing employees and add 28 new positions, with an average wage of \$55.36 per hour. In total, the company anticipates investing \$12,250,075, which includes the purchase and upfit of the building as well as new machinery and equipment.

- Council to approve the execution of an engineering contract with ESP Associates, Inc. of Fort Mill, SC in the amount of \$69,120.00 for materials and testing for the Catawba Bend Preserve Greenway and Dams project.

Executive Summary: As a part of York County’s Capital Improvement Plan, the Catawba Bend Preserve proposes a multi-use paved trail along the Catawba River. Construction is starting on the first 1.5 miles of paved shared use trail system to connect to the trail head parking and restroom facility already under construction. Construction also includes rebuilding the dams for 3 existing ponds to preserve the natural features and safety for park visitors' enjoyment and recreation.

This contract for construction materials and testing will ensure the project is built to conformance.

- Council to consider approval of an Abandonment of Easement Rights for a previously recorded sewer easement on the Stockbridge Sewer New Line Project, subject to the form of conveyance documents being acceptable to County Attorney.

Executive Summary: York County Utilities is preparing to install a new gravity sewer line that runs to the Stockbridge Regional Pump Station. This new gravity line will allow York County to remove four existing sewer pump stations. In order to avoid a future erosion problem from a manhole along an unnamed creek there, Engineering and Utilities deemed it necessary to relocate the last section of the gravity sewer and manhole away from the creek and potential erosion issues. This new route will move this proposed section of sewer away from the currently obtained project easement. At the request of the property owner, who signed the original and new route easements, we would like to abandon this

easement back to the property owner since no infrastructure has been installed within this original easement.

 - Owner: Aberman Family, LLC
 - Location: 1365 West Main Street, Rock Hill
 - Planning Commission Date: July 14, 2025
 - Staff Recommendation: Approve
 - PC Recommendation: Approve (6-0)

Executive Summary: The purpose of the proposed change is to develop the site with a self-storage facility with space for boat and RV storage. The request to rezone from ID to GC is not consistent with the future land use designation of *Municipal Infill* as it does not align with the City of Rock Hill's future land use recommendation of *Neighborhood Residential*. However, the requested GC zone is much less intense than the present ID district and allows the use of the property to better serve the nearby residences. Also, there is a strong presence of light industrial and commercial uses and zoning districts along this stretch of W. Main Street. A staff report and analysis with findings has been performed.

1. County Council to receive a report and approve the adoption of the 10-year Fire Service Framework and Strategy as recommended by the JPS Committee.

Executive Summary:

The 10-Year Fire Service Framework and Strategy (“One York Fire”) establishes a long-term roadmap to unify service delivery, ensure equitable funding, modernize facilities, and strengthen workforce development across York County’s fire service. The Justice and Public Safety Committee voted unanimously on August 27, 2025, to recommend Council adopt the Framework and Strategy and direct staff and the Committee to finalize and implement the 3-Year Strategic Plan with milestones. Adoption of the attached Resolution and Exhibit A will provide Council with a clear framework and an implementation path

toward achieving the 10-Year Strategy by July 1, 2035.

(6:35pm) Assistant County Manager, David Garner, introduced Matt Davis, Fire Services Director and explained the history and background of the 10-year vision and goal.

Fire Services Director, Matt Davis presented the 10-year fire service plan, with the introduction of 1 York Fire.

PC Recommendation:	Approve (4-1)

Executive Summary: The purpose of the request is to develop the six parcels with a mixed tenant commercial development for restaurants, retail, daycare, and general business types of uses. The rezoning request is consistent with the Future Land Use Map and Comprehensive Plan. The parcels are located at the signalized intersection of Hands Mill Hwy and Concord Road, thus allowing an opportunity for a controlled access point. Further, the proposal will aggregate the subject properties into a cohesive development with limited access onto Hands Mill Highway. A staff report and analysis with findings has been performed.

Citizen Concerns

Council Member New/Non-agenda Comments

(7:07pm) Council member William "Roddey" stated that the Public Works Committee would meet again before the end of the month. Also, Mr. Roddey thanked Assistant County Manager, Tom Couch for his assistance with a citizen getting a driveway apron.

(7:08pm) Council member Tommy Adkins requested that the Justice and Public Safety Committee be charged with reviewing 2 matters; (1) consideration of a possible ordinance establishing Tier II reporting fees to support hazmat training and equipment, and (2) timely evaluation of Motorola's proposed MAP/SUA contract renewal given the current agreement's June 2026 expiration. Mr. Adkins also stated that the country is in a mess and everyone needs to come together and learn to agree to disagree.

Chairwoman Christi Cox agreed to refer the matters requested to JPS Committee. Chair Cox requested that staff provide Council with a notification prior to making a request for items to the Committee for discussion.

(7:14pm) Council member Tom Audette expressed his condolences to the family of Political Activist, Charlie Kirk.

(7:14pm) Council member Watts Huckabee stated that the Economic Development Committee meeting on Tuesday, September 16, 2025, has been moved from 4:30pm to 5:00pm. Mr. Huckabee also requested that 3 staff reviews be placed on an upcoming agenda during Executive
